English Setter Association  
26<sup>th</sup> June 2022

I fell in love with English Setters over 30 years ago when I worked for a lady who bred them as well as Flatcoats, and I thank the committee for the invitation to judge my first English Setter breed show. I was very much looking forward to the day.

The entry was comparable to some championship show entries and I am very grateful to the exhibitors for bringing their dogs, especially as it was the day after Blackpool.

On the whole the dogs were clean and well presented and, although I'm not a mouth fanatic, mouths were generally good with only a couple of level bites.

I found the bitches of better overall quality than the dogs on the day, which is common among many breeds at the moment. That said I was happy with both my line ups.

The atmosphere was relaxed and friendly and the temperament of the dogs was impeccable.

There were no entries in the lower dog classes and no puppies entered in either sex.

Junior Dog (1,1abs)

Graduate Dog (3) 3 different types here

1<sup>st</sup> Tucker's Mariglen Nightwish for Walshaw

18mths dog with a pleasing head and eye. He has a strong neck although I would like him a little cleaner in the throat. He is balanced in body with a deep rib and short loin. He scored on movement in this class.

2<sup>nd</sup> Wilkinson's Phenset Firestorm

This boy was giving his handler a hard time. He has a lovely head and naughty expression. Well laid shoulders and strong topline. Moved well when he settled.

3<sup>rd</sup> Dunwell's Paduan Remembrance

Post Graduate Dog (1)

1<sup>st</sup> Szal's Sharnyx River Flow

A strong tri dog, this boy is well ribbed and has depth to his chest. He has good bone and tight well arched toes. I would prefer a little more refinement in his head. He needed more time to settle on the move.

Limit Dog (3)

1<sup>st</sup> Watts' Walshaw Brushstrokes

This masculine dog is of lovely type. He has a good head with oval skull and good eye colour. His neck is strong and clean, flowing to his level topline and well set tail. He is well developed in rib and short in loin. He is well angulated both ends with short rear pasterns and this shows in his free flowing movement. He was presented in full coat and good condition. Best Dog & Best Opposite Sex.

2<sup>nd</sup> Wilson's Ravensett Giovanni

Another dog with a good head and expression. He is very clean all through with no exaggerations. He has adequate shoulder placement with good length and return to his upper arm. He moved well.

3<sup>rd</sup> Owen's Cornsett You My Everything

Open Dog (2, 1abs)

1<sup>st</sup> Bryant, Bryant & Hollis' Silvamoon Storm Trooper For Phenset JW

This boy presents a pleasing outline standing. He has a good head with plenty of brain room. His shoulders flow in to his level topline, He shows maturity through his body with good ribbing and full coat. On the move he has reach and he covers the ground well, however he is a little proud of his tail which causes him to drop his topline slightly. Res Best Dog.

### Special Beginners Dog (3)

1<sup>st</sup> Wilkinson's Phenset Firestorm

He was more settled on the move in this class which secured him the 1<sup>st</sup> place.

2<sup>nd</sup> Szal's Sharnyx River Flow

3<sup>rd</sup> Dunwell's Paduan Remembrance

### Veteran Bitch (3)

1<sup>st</sup> McCabe's ShCh Rachdale Elegance JW

Elegance is the perfect name for this lovely girl. She is very pretty with a typical head and expression. She presents a lovely outline standing and moving. She is correctly angulated which gave her steady precise movement. She was in excellent coat and beautifully presented. BVIS.

2<sup>nd</sup> Stephenson's Lakecastle Kasumi at Wistaston

A different type to 1, this girl is more substantial. She has a deep rib with plenty of front angulation with adequate rear angulation. Moved ok.

3<sup>rd</sup> Bryant, Bryant & Hollis' Phenset Firefly

### Junior Bitch (4) This was a difficult class with things to like about all 4

1<sup>st</sup> Wale's Chanina Golden Rose

This young lady has an attractive head with good stop. Her shoulders are nicely placed and lead to her level topline and correct tailset. She shows maturity through her body and with corresponding angulation. Her movement was a little erratic but she won this class on her overall balance.

2<sup>nd</sup> Beasley's Wansleydale Mayflower

Another of lovely type and I was nit picking to separate her from 1 so similar remarks apply. I preferred the tailset and balance of the winner.

3<sup>rd</sup> Jennings-Sharman & Sharman's Wansleydale Mayfly

### Maiden Bitch (3)

1<sup>st</sup> Beasley's Wansleydale Mayflower

2<sup>nd</sup> Jennings-Sharman & Sharman's Wansleydale Mayfly

This girl gave some away on maturity in Junior. She has an attractive head, although I would prefer a darker eye. She has good body proportions with correct spring of rib and loin. On the move she was somewhat erratic but this should settle with experience.

3<sup>rd</sup> Welburn's Oshowa Dream Come True

### Novice (1)

1<sup>st</sup> Jennings-Sharman & Sharman's Wansleydale Mayfly

### Graduate Bitch (5, 2abs)

1<sup>st</sup> Wale's Chanina Golden Rose

2<sup>nd</sup> Dennis's Mariglen Gift Wrapped JW

This young bitch has good length and depth of rib, being well sprung. She has good upper arm and adequate shoulder. Her level topline leads to her correctly set tail. I would like a little more angulation to her rear but she moved true coming and going.

3<sup>rd</sup> Hoskins' Walshaw Watercolours

### Post Graduate (3,1)

1<sup>st</sup> McCabe's Rachdale Ribbons Of Pearls

Not the most substantial of girls but she is nicely made and for this reason she couldn't be overlooked. I found her head very feminine with oval eye shape giving a lovely expression. She has correct front angulation of good length and return with well laid shoulders. She has a moderately

angulated rear and well let down hocks. Her bone is round and leads to well arched feet. On the move she was true both ways and in profile she was elegant and stylish. Her coat still needs to mature but she had enough with good feathering and she was in gleaming condition. Res Best Bitch and Res Best In Show.

2<sup>nd</sup> Welburn's Culverwell Sea Breeze at Oshowa

This bitch was stronger all through than my winner and unfortunately, she was very out of coat. She has a well assembled front with quality bone and good feet. She shows depth through her body and has strong loin. Moved ok.

Limit Bitch (5)

1<sup>st</sup> Pitts' Wandsfell Dream Of Me

This quality bitch headed a lovely class. Beautiful head of good proportions with a dark oval eye. She has a slightly arched neck leading to her well laid shoulder which in turn flows into her strong topline. Her front has the required angulation and her elbows sit correctly against her deep chest to allow for free action. Her rear is well muscled with short hocks. This enables her to move with accuracy when viewed in front and from behind. In profile she comes alive and covers lots of ground with good driving movement. I was very pleased with award her Best Bitch & Best In Show.

Congratulations.

2<sup>nd</sup> Beasley's Wansleydale Amaretto

Another with a pleasing head but she was just not as balanced at the first. She has lovely bone and stands on tight feet. She is mature through the body and has a correct length of loin. Her rear is moderately angulated and on the move she has a good outline in profile.

3<sup>rd</sup> Colton's Rowanmyle Gude Blue Bonnet Ennydloc

Open Bitch (1,1abs)

Special Beginners Bitch (1)

1<sup>st</sup> Hoskins' Walshaw Watercolours

3<sup>rd</sup> in Graduate. In this class she was more settled. She has a pleasing head, although I would like her more square in muzzle. She has lovely shoulders and quality bone. Her rear is moderate with short hocks which enabled her to move well when settled. She was in lovely coat and feathering.
